Sir:

Amendment

This is a response to the Final Office Action mailed December 21, 2005. Amendments to the claims are reflected in the listing of claims beginning on page 3 of this paper. Applicant has renumbered claims 40-58 as 38-56 because claims 38 and 39 were never pending or filed in the application. The indicator for the previously withdrawn claims has remained "withdrawn" despite the renumbering of the claims and dependencies. Claims under consideration are newly renumbered claims 38-43 and 46. Changes to

the specification appear on page 7. The Remarks section begins on page 8 of this paper. The Summary section appears on page 14.
